June at last!
Time to celebrate Her Majesty Queen Elizabeth's Platinum Jubilee. You don't have to travel far to find an event or a party to join in the spirit of the occasion. There are community get togethers in most villages and towns; we have listed a number in the community pages of the magazine this month.

As summer is here, it is a perfect time to get out walking in the countryside. Keighley Ramblers are part of a national organisation that is dedicated to doing just that! Read more about them on page 4.

Want to get involved in this community magazine? Aire Valley Mag is looking for volunteers. Get in touch to see how you can help. Contact Liz, the editor: 01535 642227 or liz@worthvalleymag.co.uk

Keighley Ramblers

We are a group of people who like nothing better than getting together to enjoy a good walk in the beautiful countryside in which we are so lucky to live. We meet on the first and third Sunday of the month and on a Wednesday in the summer. The walks are led by an experienced leader and can vary from about 6 miles to around 10 miles and anywhere in between. The first walk of the month tends to be a shorter one to let people who may not have walked for a while get back into it. We are a friendly collection of people and welcome new walkers. You don't have to be a member of the Ramblers Association to begin your journey with us but by joining you open up your world because you can join walks with other groups anywhere in the country. By becoming a member, you will be helping to keep the countryside open and can participate in national campaigns to keep footpaths and trails accessible to all. There is the opportunity at local level to be involved in the running of the group with various volunteer roles. It is a proven fact that exercise and fresh air are beneficial both physically and mentally. We don't let the weather get us down, as the saying goes 'there is no bad weather just bad clothes.' Comfortable walking boots and a waterproof outer layer is all that's needed

to enjoy yourself and a packed lunch to eat halfway. Look on our website at: <http://www.ramblers.org.uk/keighley> to learn about upcoming walks. The walk leader can give you more details. Just click on the walk that interests you and their telephone number is there. Discover your local area and paths further afield. Do come and join us, a warm welcome is waiting.

Come and share our love of walking

We are a small group of local people who like nothing better than to explore the lovely dales and moors around Yorkshire in sociable company.

Join us! We're sure you will feel much better for getting out in the fresh air.

EFFICIENT ELECTRICS

The first of the seasons broad beans and peas are available now, I look forward to them making an appearance so I can cook this. A meal in itself if served with bread and cheese. You can substitute the butter for olive oil in the recipe if you want to go vegan.

Ingredients (feeds 4)

- 2 medium courgettes, peeled & cut into chunks
- 1 medium cucumber, peeled & cut into chunks
- 1 lb fresh peas in their pods, podded with pods reserved
- 2 pints of vegetable stock
- 2 lb fresh broad beans in their pods, podded
- 1 lb new potatoes (Cornish are ideal), scraped or peeled and cut into chunks
- 1 cos lettuce
- 1 bunch spring onions
- Sea salt & freshly ground black pepper
- 1 heaped tablespoon freshly chopped mint
- Cider vinegar

Method

Heat your vegetable stock, sort your pea pods, discarding any manky ones, roughly chop them and chuck them in your stock, bring to the boil and leave to simmer, lid off for 15 to 20 minutes.

In a large pot, melt your butter over a low heat and add the chunks of courgette and cucumber. Cook slowly until soft but be careful not to allow them to take any colour.

Once soft, strain your stock into the pot with the cucumber and courgette and chuck the pods in the compost heap.

Add the peas, beans and potatoes and bring to a gentle simmer for 20 minutes.

Meanwhile, remove all the outer dark green leaves from your lettuce and shed the remaining heart of paler leaves. Trim and finely chop the whites of the spring onions.

Once its 20 minutes are up, remove your soup from the heat, season to taste with salt and freshly ground black pepper and add your lettuce and spring onions, stir well, cover and leave to cool for 10 minutes.

Ladle into bowls and drizzle a teaspoon or so of cider vinegar over each serving.

We have over 700 volunteers, but we would always welcome more support. With only a handful of staff, we rely very heavily on our teams of volunteers to keep the Railway's wheels turning. As we approach the summer running season we have a full programme of events planned, so there's plenty to get involved with.

There will be even more wheels turning across Keighley when we join the "In Motion" Keighley Transport Festival June on 2nd and 3rd of June, which is a celebration of all things transport across Keighley, including the Railway, model trains, exhibits at RailStory at Ingrow, classic cars, buses, motorbikes and more.

We also have the return of the Diesel Gala 10th-12th June during which the Railway operates both heritage and more modern diesel traction. In addition, we continue to run our very popular Haworth Haddock fish and chip supper trains and Vintage Train Sundays on selected dates.

All of this takes a huge effort in both the planning and the operation of the events but as well as all the activity you see when you visit, there is plenty going on behind the scenes with our maintenance and overhaul of the operational fleet and infrastructure, as well as the administrative requirements of running a charity of our scale. The Railway has an extensive "estate", which includes the Railway's buildings, car parks and station platforms and we would especially welcome applications from volunteers who have a property management background.

With so much to do, and so many events to run in addition to our regular timetabled services that run every weekend and during the week at selected times of the year, we would be very grateful if you would consider donating as much or as little time as you can offer the Railway by becoming a volunteer.

Have you got an item of clothing that means something special to you? Maybe your beautiful wedding dress, your reliable dressing gown, or your grandad's fishing hat? Clothes hold so many memories, and we want to hear about them for our forthcoming artistic installation, a new commission from Bingley artist Hannah Lamb. Her work 'Fragment of a Dress' will complement the current 'Defying Expectations' exhibition, and is inspired by the costumes of Charlotte Brontë and your wardrobe! Hannah Lamb is a visual artist, lecturer and author, working in the field of art textiles. Fascinated by textiles, clothing and the stories they can tell, her practice is a personal dialogue with materials. Experimenting with layers of imagery and surface; print, stitch and construction techniques are carefully combined to create both sculptural installation works and smaller, more intimate pieces. She has a fascination with our shared material heritage. A tiny scrap of cloth can open up a myriad of stories, from the personal to the political. The Brontë Parsonage Museum collections include many small fragments of cloth associated with Charlotte Brontë. Hannah was inspired by these precious scraps of fabric and the way they have been treasured as keepsakes of a literary heroine.

Textiles and clothing can hold powerful memories, reminding us of people, places and special moments in our lives. Today, despite living in world of 'fast-

fashion' and disposable attitudes to clothing, many of us still keep hold of things that help us remember people, places and moments in time. Hannah's work is all about collecting these memories and moments from our visitors and community members. **From 7 -19 June, you are invited to contribute your own story about an item of clothing that means something special to you.** Perhaps you'd like to tell us about a favourite party dress, a treasured family heirloom or your 'lucky' football scarf. **Come along to the Brontë Parsonage Museum where you will find our 'Washing Line of Memories' in the foyer; it is here that you can share a memory or your thoughts and become part of our new artist installation.** Hannah will be constructing a ghostly dress made from silk organza, onto which, with the help of students from Bradford School of Art, she will embroider personal stories about our clothes and what they mean to us. The finished dress will be on show in the Servant's Room from late July until the end of December. The Museum is open 10am -5pm, Wednesday to Sunday. Join us at the beginning of June for a special opportunity to become part of Hannah's work, and see your memories exhibited in the Museum.

YORKSHIRE
LOFT LADDERS

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overniding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
