WELCOME TO THE BULL

The Stitch Society* is a piece of crafting heaven based in the old textile mill that is Keighley Business Centre. For sometime now The Stitch Society* has been inspiring stitchers, makers and menders to share their knowledge and skills with each other in their airy studio.

Continuing their mission to share their combined knowledge, Fiona Drake and Charlotte Meek, the founding members of The Stitch Society*, will be appearing at 74 Main Street, Haworth for two weeks only, from the 17th until 30th April.

With their lighthearted and informative approach to teaching, Fiona and Charlotte ensure that The Stitch Society* workshops include all materials, instructions and tools – often served with a slice of cake and lashings of tea. The Spring programme includes workshops as diverse as Felted Flowers, Weaving and Learning to Spin. There will be an opportunity to sample a range of mini workshops, which will be running over the two weekends, including needle felting, knitting, crochet and sewing.

Gaining notoriety for their expertise, both locally and

nationally, their work includes being featured on the Radio 4 website with their quirky interpretation of The Shipping Forecast, as part of the Radio 4 Loves Knitting Day; this now famous piece will be on display in the shop.

Part of The Stitch Society* philosophy is to provide simple, effective tools and kits to enhance the crafting experience; such as The Stylish Tin of Sewing Tools and The Helpful Tin of Knitting Tools; all this loveliness and more will be available in the shop.

Encouraging others to share their skills and become part of The Stitch Society* community of Friends has lead to a devoted following, who regularly attend the Friday morning Knit & Stitch* group, which will be happening in the shop on the 17th and 24th April, from 10 until 12, everyone is welcome to join us.

Full details of all the mini workshops are available on our website at www.thestitchsociety.com.

Call in or email hello@thestitchsociety.com to reserve your place.

For readers of this magazine, Fiona and Charlotte are offering a 25% discount on any two workshops booked together. Just bring this magazine with you to claim the discount.
