Say you saw it in the Worth Valley Mag!

Hello, it's Chris from **Bristles Chimney Sweep Service**. I would like to say a **big thank you** to all my customers for your business and I look forward to seeing you all over the coming months. If we haven't met, I hope you will consider Bristles this year for your chimney sweep service and perhaps we will meet soon.

Your chimney is more than just an exhaust pipe for your fire. It can be a hazard, a source of Carbon Monoxide poisoning, a home to rodents or pests. If not regularly maintained, your chimney can cause water or smoke damage to your property.

Spring and summer are the best times to have your chimney swept and appliance serviced. Winter tends to do far more damage to chimneys than during the rest of the year ie when it rains, water seeps into the masonry so when temperatures drop, the water freezes and expands in to ice crystals that can crack and shatter masonry. The moral of the story... Don't forget to get your chimney serviced! And here is a big incentive from me...

Due to popular demand, I have brought back
The Summer Sweep Special
 I will sweep your chimney, conduct a smoke evacuation test and service your appliance (not including parts) for
£40 (usual price £70).

Don't delay, Book it Today!
 Offer valid until 31.8.15.
