PAWS 4 a WALK

When Amy Borsay established her pet care service, **Paws 4 a Walk**, it was only after considerable research and planning.

With 15 years experience looking after all kinds of pets including dogs, cats, rabbits, guinea pigs, hamsters, and more recently chickens, Amy has nurtured a passion for animals for quite some time. But in addition to that, she has met with established pet care professionals in the UK to discuss best practice and the latest in pet care techniques and equipment. After much planning and investment in equipment, including a purpose built van, **Paws 4 a Walk** opened for business last October.

Rufus, a gorgeous 16 month old border collie, lives with Amy and her partner Jimmy at the Waggon & Horses pub in Oxenhope. (Hebden Bridge Road) The animal friendly

pub serves as a perfect location for a drink or a homemade meal as well as a handy place for Amy to meet prospective clients. Rufus is the pub mascot and has attracted a steady flow of admirers! Some have become **Paws 4 a Walk**

customers and entrusted their pets to Amy's care after seeing the professional, common sense, and flexible philosophy Amy brings to her business.

The services provided by **Paws 4 a Walk** include a dog walking service from £5, trustworthy pet sitting for any domestic animal, and a reliable taxi service to transport pets to appointments. .

"Amy has been looking after my dogs on a regular basis for the past six months. I have found her to be very reliable, caring and excellent with my dogs. Not only does she genuinely care, she has a no nonsense attitude which inspires confidence in her abilities. I am proud to say I regard Amy as not only a friend to my dogs, but also a friend to me."

Amy's pet care services are extended to all of the villages in the Worth Valley. Phone to discuss your unique requirements. Or better still, call in to the Waggon & Horses for a drink and a chat. (You can say hello to Rufus too!) **01535 649192 07799 040747**. Further explanation of the **Paws 4 a Walk** services can be found on www.paws4awalk.net. Or email amy@paws4awalk.net.
