**Haworth's famous pub, The Black Bull, now under new management, is raising the bar.**

"Getting the beer right was the first thing we looked at," said landlord Jim Winchester. "People expect real ale and quality is key. We think we've got that right," he asserted.

"Secondly, the food has to be good home cooked pub fare offering traditional choices like Yorkshire pudding, Fish and Chips,

Sausage and Mash. It has taken a little longer than we expected but we have invested heavily in getting the kitchen up to speed and we are now serving food daily from noon until 6pm with a 2 meals for £10 deal. We hope that demonstrates our commitment to offering our customers real value. We also want to give people an incentive to come in to the pub and give us a try."

Another focus is on music. With live entertainment three nights a week, The Black Bull is pulling in musical talent from across the region.

"We welcome everyone in the community; fellow local traders, visitors, OAPs, families. Well behaved dogs are welcome in the front bar area too."

There are 9 car parking spaces. (That is a rarity in Haworth!)
