After a visit to the Tower of London exhibition of poppies I can only say what a moving tribute it is to those who fought and died in the First World War and worthy of a visit before the 11th of this month when it is dismantled. [Learn more here: <http://poppies.hrp.org.uk> and page 15] There are some great offers this month, notably 2 meals for £10 at the Black Bull in Haworth and a voucher for a free bottle of wine from the Old Registry. [Conditions apply] Cobbles and Clay moves a few doors up the cobbled Main Street in Haworth and opens its doors to the public. [see page 8] Our cover photo was taken at last year's Steampunk event; check out the community pages for more info and enjoy November!

Sandy celebrates 10 Years!

Modern life is challenging. We juggle work commitments, family life, and then squeeze in time for ourselves in between. Cleaning, ironing, gardening, these are usually activities on the top of our to do lists. Why not get help?

The good news is that affordable help is on hand and only a phone call away.

Sandy Morphet of Oakworth Cleaning Services celebrates 10 years in business this year.

Sandy provides a host of services and has an impressive track record keeping local homes and businesses gleaming.

"We have some lovely customers and I like to think we offer them something more than a run of the mill service; we like to add value where we can." Sandy asserts. "Most of our customers

use us weekly but we can do one off cleans or seasonal work too."

Sandy isn't one to boast, but her clients were eager to sing her praises. We spoke with Mrs Rhodes in Oakworth:

"I phoned Oakworth Cleaning Service when I broke my ankle five years ago; I was marooned on the settee feeling fed up with not being able to do the cleaning. Sandy was very helpful and responsive; she arranged to have our house cleaned that same afternoon. I've never looked back, we have had weekly cleans ever since! My husband agrees, it's worth every penny!"

November is a poignant month and Oakworth Cleaning Service's anniversary coincides with a significant time of remembrance. With a daughter serving in the armed forces, Sandy's heart is close to charities like Help for Heroes, The British Legion and SSAFA.

"I am very sympathetic to those who have loved ones on active duty or who have suffered a loss. I'd like to express my gratitude to those who serve and to the families who are supporting them. It can be very stressful and nerve wracking"

"It is not always easy to know what to do or how to help but I'd like to pledge £5 to Help for Heroes for each new booking Oakworth Cleaning Services undertakes in November."

"I'd also like to thank the local community for their support over the past ten years; it has been a privilege to work with so many different people."

Collaborative Creative Café

photos by John Sargent

Jill Ross (centre) with her team at the opening of Cobbles & Clay following extensive renovation work.

Cobbles and Clay the art café on Haworth's Main Street is an oasis for both the local community and visitors to Bronte County. Established in 2006, this family friendly place welcomes all to enjoy food, friendship and creative play.

Entrepreneur and community champion, Jill Ross, runs Cobbles & Clay and has maintained a local focus from the start, providing space for groups like the Haworth Ukelele Group, Haworth Festival, Open Mic Sessions, Bronte Book club, Haworth Fairtrade, and a variety of creative workshops. The need for a bigger kitchen to support the expanding cafe coupled with a desire to nurture a live music scene led Jill to find larger premises. It was good fortune when another property became available only a few doors up the street.

The renovation began in March and included the commissioning of local trades people from the Worth Valley community. "It's been wonderful to work with so many talented people," Jill said at the opening party on October 25th. "Our builder, John Schofield and his team have been fantastic; they helped us at each step along the way. The staff at the café also worked tirelessly and contributed to making the move a success. I want to thank them all for their hard work. Together we've created something very special indeed."

The 'new' Cobbles & Clay has some notable & exciting additions:

- **Introducing Pickles and Pots Deli**
- **Extended speciality range of teas**
- **New menu including tagines & stews from a slow cooker** (*Don't panic, customers' favourite dishes will remain on the menu, like the Lentil & Veg soup, Tuscan Bean Stew & Lucy's Sticky Apple Cake.*)
- **Bigger breakfast menu**
- **Cosy wood burning stove in a 'snug'**
- **Private party and function room**
- **Vast range of pottery for painting**

Pop in and see the 'new' Cobbles & Clay Open every day 09:00 to 5:00 pm 70-72 Main Street, Haworth.

Tel: 01535 958961 (please note new telephone number)

In addition to their staff Jill and Michael Ross would like to thank the following people for their help with the renovation of the new Cobbles and Clay: John Schofield (main contractor/builder), Darren Vidic (plumber), Ryan Breeze (electrician), Michael Holroyd (Flooring), Craig Dyson (artist in metal work), Glen & Craig Ogden (decorating).

Traditional Pub Food served weekly 12 noon-6pm

**SPECIAL OFFER:
2 MEALS
FOR ONLY £10**

Haworth's famous pub, The Black Bull, now under new management, is raising the bar.

"Getting the beer right was the first thing we looked at," said landlord Jim Winchester. "People expect real ale and quality is key. We think we've got that right," he asserted.

"Secondly, the food has to be good home cooked pub fare offering traditional choices like Yorkshire pudding, Fish and Chips,

Sausage and Mash. It has taken a little longer than we expected but we have invested heavily in getting the kitchen up to speed and we are now serving food daily from noon until 6pm with a 2 meals for £10 deal. We hope that demonstrates our commitment to offering our customers real value. We also want to give people an incentive to come in to the pub and give us a try."

Another focus is on music. With live entertainment three nights a week, The Black Bull is pulling in musical talent from across the region.

"We welcome everyone in the community; fellow local traders, visitors, OAPs, families. Well behaved dogs are welcome in the front bar area too."

There are 9 car parking spaces. (That is a rarity in Haworth!)

Say you read about The Black Bull in the Worth Valley magazine and enjoy the special meal deal for our readers. 2 meals for £10!

Why the Poppy?

The poppy has a long association with Remembrance Day. But how did the distinctive red flower become

such a potent symbol of our remembrance of the sacrifices made in past wars?

Scarlet corn poppies (popover rhoeas) grow naturally in conditions of disturbed earth throughout Western Europe. The destruction brought by the Napoleonic wars of the early 19th Century transformed bare land into fields of blood red poppies, growing around the bodies of the fallen soldiers.

In late 1914, the fields of Northern France and Flanders were once again ripped open as World War One raged through Europe's heart. Once the conflict was over the poppy was one of the only plants to grow on the otherwise barren battlefields.

The significance of the poppy as a lasting memorial symbol to the fallen was realised by the Canadian surgeon John McCrae in his poem In Flanders Fields. The poppy came to represent the immeasurable sacrifice made by his comrades and quickly became a lasting memorial to those who died in World War One and later conflicts. It was adopted by The Royal British Legion as the symbol for their Poppy Appeal, in aid of those serving in the British Armed Forces, after its formation in 1921.

Yorkshire Parkin

This cake benefits greatly for being wrapped tightly and left to mature for a few days making it sticky and chewy so please be patient with it!

Ingredients

100 grams golden syrup

25 grams black treacle

75 grams butter

75 grams soft brown sugar

175 grams porridge oats

75 grams self-rising flour

1 1/2 teaspoons ground ginger

1 pinch of salt

1 egg (small, beaten)

1 tablespoon of milk

1 Pre-heat the oven to gas mark 1, 275F or 140C. Grease and line a loaf tin.

2 First weigh a saucepan on the scales and then weigh in it the syrup, treacle, sugar and butter, place over a gentle heat and let the butter melt, don't let it boil.

3 Meanwhile in a bowl put the flour, porridge oats, salt and ginger. Once the syrup mixture has melted stir into the dry ingredients. Once combined add the egg and milk.

4 Pour into the tin and cook for about an hour in the middle of the oven, or until the centre feels springy to the touch.

5 Let it cool for 30 mins in the tin before turning it out and allowing to cool fully before wrapping and maturing it. Enjoy.

Just a note on the oatmeal: if you can't find medium oatmeal buy porridge oats and blitz them for a few seconds in a food processor; do not over-do this, you want rough crumbs, not dust.

Keighley & Worth Valley Railway

November always feels a bit like the lull before the festive storm. Santa is finalising his preparations, and his Pixies are busily wrapping gifts ready for the Santa Special trains that run every weekend in December. They are very popular and some trains are already full, so please do book soon on www.kwvr.co.uk to avoid any disappointment.

So what will 2015 hold for the Railway? After a busy programme of events in 2014 and a lot of work behind the scenes, we have a number of projects in the advanced stage of development. We hope to secure funding for the cafe at Oxenhope, which will provide our long-overdue catering facility and we also hope to start work on refurbishing the interior of the Keighley Water Tower building, which we hope to develop into a visitor centre, managed by our Young Person's Group (YPG).

To advertise call us on 01535 642227

The YPG warrants mention in itself: this is a carefully-supervised group for 13-15 year old volunteers, which prepares them for joining as an adult volunteer in a variety of roles, including 'permanent way' (maintaining the track), the locomotive and rolling stock departments (repairing as well as helping to crew the engine when old enough), stations duties, catering and tour guiding. Our challenge is to make sure that we pass the knowledge and experience down through the generations to ensure we have the expertise in future decades. With this in mind, we intend to refurbish our engineering and storage areas at Haworth, which will give us a better training facility, and also give us a better viewing area for visitors, who currently get to see very little of the magic that happens in Haworth shed, where our volunteers breathe life back into 100+ year old steam locomotives, and have done since the first steam locomotive

Stoke the fires!

arrived on the line 50 years ago in January 2015. Next year will be a very important one, as we see the fruits of our planning labours, but also as we mark this 50th anniversary of the first 'working' members, who are the ones that work tirelessly to make all that you see happen. I do hope that you will consider joining us, whether you can offer just a few hours a month or are looking for a (semi-)retirement project, and whatever your area of interest! The website has more information on how to get involved as well as the latest news on forthcoming events and details of how to book Santa train

tickets.

As ever, if you do have any comments, compliments or concerns, please do get in touch with me via the Station office at Haworth, the website, or on email: matthew.stroh@kwvr.co.uk
