Welcome to the May Edition

May is a wonderful time in our community—spring is in full bloom, and so is our calendar of local events. As we mark VE Day, we take time to reflect on the bravery and sacrifices of the past, and the enduring importance of peace in our lives today.

This month also brings two much-loved events: the Bronte Gathering, a quirky celebration of rural life, raising money for Sue Ryder; Manorlands Charity, and the 1940s Weekend in Haworth, where the Keighley and Worth Valley Railway host a newly designed experience taking place at the station and along the railway's line between Keighley and Oxenhope. (see p.17 for tickets)

As ever, this magazine is brought to you by local businesses, tradespeople, and community organisations who help keep our area thriving. Please support them—it makes a real difference. Have a lovely month.

Liz Barker, Editor

Every month brings new challenges when running a 150+ year old railway, thanks to our increasingly venerable fleet. We regularly run a steam loco built in 1899, and the main carriage fleet dates back to the 1950s. It takes a huge effort to keep the wheels turning, with our teams at Haworth working on the locomotive fleet and Oxenhope on the carriages. It's painstaking work, requiring specialist skills and parts, which are increasingly difficult to obtain and often fabricated in house. The hours and hours of work – and expense – that goes into a locomotive or carriage overhaul is difficult to appreciate. Still, you can see behind the scenes what goes on during the shed tours we regularly offer at Haworth (see the website for dates and times).

The costs are ever increasing, so we are constantly looking for ways to attract more visitors to the railway, which will benefit the wider area too. We held a very successful gala event in March, with visiting locomotives and special services across what is now a four-day event, helping to bring more tourists to the local B&Bs, shops and eateries. We plan to do the same in May when we are hosting the 1940s weekend, following the departure of the Haworth organising group after the 2023 event. So, in a year's absence, we will be bringing the 1940s back to the valley and using the railway to spread the attractions rather than the unbearable pressure that existed when the focus was

on Haworth's constrained streets and spaces. You can check the Railway's website for the programme for the 2025 event.

Later in the year (starting in July) we are hosting the Bradford 2025 City of Culture's Railway Children live show, which we are very excited about because the Railway Children is so important to the history of the Railway. As well as the 2025 season's events and regular programme of steam trains every weekend and through the holiday periods, we are also looking ahead to the future. We have funding (thanks to the Town Deal) for further developments at Haworth to improve our volunteer accommodation and tour group facilities. We are developing plans for undercover storage for our "DMU" (diesel multiple unit fleet), which is vital to the Railways' operation, as well as enhancements to the signalling of Keighley and the working of Oxenhope yard.

We look forward to welcoming you on board soon, especially if you join our volunteer family. The Railway's website has full details of how to apply, our event programme, and timetables for our regular services. With so much going on, it's an exciting time for the Railway, and we hope you can come and take a look for yourself.

~ **Matt Stroh**

DATES FOR YOUR DIARY

Upcoming events at The Keighley & Worth Valley Railway.

17th & 18th MAY ALONG THE RAILWAY!

Join us for an unforgettable journey into the 1940s as the railway is transformed into a living history experience. From the moment you arrive, you'll be immersed in the sights, sounds, and spirit of wartime Britain, with music, entertainment, and re-enactments bringing the era to life.

We strongly recommend that you purchase your ticket in advance. There are five stations to explore and two trains steaming along the valley bottom, full of live music, reenactments, and much more!

Use the QR Code for more detailed information, timetables, all the latest news and upcoming events across the railway.

Denture Problems

Look no further...

Who are we?

Our Keighley Denture Expert is Matthew Varley (Dip CDT RCS)

Matthew Varley is the partner and Managing Director of My Denture

Clinics, here he works as a Clinical Dental Technician (Dip CDT RCS).

Matt was born and raised in Pudsey, where he met his wife Angela Varley at school. They have 2 sons; Ray and Austin, he hopes one day they will follow him into the dental profession and share in his passion for dentistry.

Within his 23 years of experience, Matt has changed the lives and smiles of many, some of which are during one day implant immediate loading cases, and same day smiles, which he specialises in. The regular accolades received from clients and patients alike are testament to his passion for his work. Matt has a keen eye for detail and endeavours to provide the best care possible. Matthew completed his dental technology qualification at Leeds Dental Institute, he finished first in his class achieving distinctions throughout and was awarded overall best student and the acclaimed technical achievement award.

Matthew Varley started his journey as a Registered Dental Technician (RDT), however after 23 years experience working as a RDT in highly acclaimed laboratories, Matt made the decision in 2018 to set up his own business alongside fellow business partner Joseph O'Reilly.

Matt also returned to university to further his dental knowledge and become a Clinical Dental Technician, receiving the prestigious royal college of surgeons (Dip CDT RCS).

How can we help you?

Technology has moved on massively over the last few years as far as dentures are concerned. The fact is, **you don't have to suffer badly designed or ill fitting dentures anymore.**

However, replacing your teeth is more than trusting someone with your smile. Your appearance and the way people perceive you is also at stake.

Matt creates dentures which can offer the dual effect of restoring your smile and correcting the proportions of your face.

He can add volume to your lower face and upper lip region to achieve a more natural, youthful look. Everyone is different, so your dentures are influenced by your age, personality and gender to ensure they look perfectly natural. Matt will discuss your individual needs and the best choices available before providing you with the information you require to determine what is right for you.

The smallest alteration can make the biggest change and Matt is committed to providing the highest level of care, quality materials and the latest digital technology to achieve the best results for you.

Matt's ambition is also his craft, creating lifelike smiles through dentures and implant supported prosthesis.

Everybody has the right to smile!

*Would you like to be more confident?
Do you suffer from denture discomfort?
Loose or ill-fitting dentures?
Afraid to smile?*

With our clinical denture expert Matthew Varley, who has restored thousands of smiles - you're sure to feel more confident and be you again.

From Frustration to Clarity

One of our lovely transformation cases. Patient LS struggled for years. Aesthetics were compromised along with facial support looking very strained. With our Diamond range of dentures, aesthetics were restored with full facial support in the correct position.

"I have finally got my confidence back, I never imagined I could smile like this. Thank you My Denture Clinic"

BEHIND THE SCENES AT THE MUSEUM

In April the Brontë Society celebrated the very first publication of an important miniature manuscript by Charlotte Brontë.

Written when Charlotte was thirteen, **A Book of Ryhmes, sold by nobody and printed by herself**, dated 17 December 1829, contains ten unpublished poems hand-stitched into brown paper covers. After the death of Charlotte, A Book of Ryhmes was taken to Banagher by Arthur Bell Nicholls, who held it until his death. It disappeared from view in 1916 following a sale at the Walpole Galleries in New York, and for many

years was thought to be lost, but in April 2022 the book was announced as being for sale by James Cummins Rare Books. Following an impressive fundraising campaign, the book was won at auction by the Friends of the National Libraries, and they kindly donated it to the Brontë Parsonage Museum collection.

After publication by Tartarus Press, in association with the Brontë Society, this

remarkable piece of Brontë juvenilia is now available to read for the first time. With an Introduction by songwriter and poet Patti Smith, and essays by Barbara Heritage (a specialist in rare books and manuscripts) and Henry Wessells (an antiquarian bookseller and author), this first edition features reproductions of Charlotte's original handwritten text alongside a transcription of the poems.

On Tuesday 22 April the publication was celebrated at the Old School Room in Haworth, and featured a reading from the book, followed by the opportunity to view the original manuscript in the

Brontë Parsonage Museum. 'A Book of Ryhmes' is available to buy now on bronteshop.org.uk. **You can see the original manuscript at the Brontë Parsonage Museum as part of their current exhibition, From Haworth to Eternity.**

Warm Asparagus Mousse with tarragon vinaigrette & toast

by Martin Lingard

Method

Preheat your oven to 150C (gas mark 2) and butter 4 ramekin dishes. Set these to one side.

Bring a large pan of salted water to the boil. While you're waiting, snap the woody ends off your asparagus spears and chuck in your compost bin. Cut the spears into roughly 2-centimetre lengths and tip into the boiling water. Cook until soft, longer than you'd normally cook asparagus spears. Drain into a colander and cool under the cold tap. Put your asparagus, 2 eggs and a further 2 egg yolks into a blender and process until really smooth. Pour in the cream, season well with salt and pepper then blend again. Pour this mixture into your ramekins.

Cover each ramekin with a small square of tin foil and place them all into a deep baking tray or dish.

Carefully pour hand hot water into the baking tray, avoiding splashing it into your ramekins, until the water comes roughly $\frac{3}{4}$ of the way up.

Transfer the baking tray to the oven, taking care not to slop the water. Bake for 30 minutes before removing and leaving to cool.

Whilst your asparagus mousses are cooling, make a tarragon vinaigrette by mixing the vinegar, dried tarragon and mustard in a bowl then seasoning with salt and pepper.

Once mixed, whisk in the oils before finally adding the finely chopped tarragon.

Once the mousses have cooled until just warm, pour a small amount of vinaigrette over each one and serve with buttered toast.

Our English asparagus season is in full swing now. As we get into May, the price drops, and this is a good way of making one bunch feed four as a light lunch or supper. It sounds quite fancy but is really easy.

It is really nice served with a soft boiled egg, toast soldiers and a glass of cold dry white wine. You need four ramekin dishes for this.

Ingredients (serves 4)

- 1 bunch of asparagus
- 4 large eggs
- 125 ml double cream
- Salt & Black pepper
- 1 small lump of soft butter
- 1tbsp white wine vinegar
- Dried tarragon
- 1tsp Dijon mustard
- 3 tbsp sunflower oil
- 2 tbsp extra virgin olive oil
- 1 small palmful of fresh tarragon leaves, finely chopped
- Buttered toast to serve

This year sees **Keighley and District Model Engineering Society** celebrate 75 years since it's formation in May 1950. It was founded with the object of 'fostering the hobby of miniature engineering'. The main interests were in model boats, aeroplanes and railways. The boats included scale models and racing hydroplanes, both of which were sailed on Keighley Tarn. In 1967 a hydroplane built by one of the members set up a new British All-Comers speed record of 108.5 miles per hour. Racing yachts were introduced later and are sailed on the Yorkshire Water reservoir at Weecher.

A desire to build a permanent railway track led to the site at Marley Sports and Activities Centre which was obtained on lease. It took five years of work before the track was opened to the public in 1971.

To celebrate our 75 years the railway members are holding a special public running day on **Sunday May 4th**. Miss Joan Hall, who was MP for Keighley at the time, opened the original track, and so as a reflection of that event, Robbie Moore MP will attend in the afternoon. More details can be found at our new website **www.kdmes.org.uk** or on our Facebook page www.facebook.com/keighleytrains. If you like what you see why not come and join our society?

Janette Haig - Long time member: Donald Haig was a long time member of the society. Janette used to come down with her husband and when he died continued to do so. Many people will recognise her serving refreshments in the club house which she did until recently. She is a Vice President in recognition of her long service. In the photo she is being driven round the track by James Aston.

On 8 May 1945, jubilant crowds flooded the streets of Britain to mark Victory in Europe (VE) Day, celebrating the end of World War II in Europe. As the nation commemorates the 80th anniversary of this historic day, it's a poignant moment to reflect on the sacrifices made and the enduring peace that followed.

In London, throngs gathered outside Buckingham Palace, cheering as King George VI and Prime Minister Winston Churchill appeared on the balcony. Street parties erupted nationwide, with communities dancing and singing in shared relief and joy.

Rare color footage captures these spontaneous celebrations, offering a vivid glimpse into the nation's elation.

Bradford and the Keighley District played a significant role in the war effort. Bradford's textile industry was vital, producing uniforms and materials essential for the military. The city's mills operated tirelessly, contributing to the supply chain that supported the troops. In Keighley, local factories shifted to wartime production, manufacturing components and equipment crucial for the front lines.

The region's contribution extended beyond industry. Many residents served in the armed forces, with local regiments seeing action across various theaters of war.

Scan the QR codes above to view historical film from VE Day

The community's resilience and commitment were instrumental in the collective war effort.

As we honor VE Day's 80th anniversary, it's essential to remember the unity and determination that defined that era. The sacrifices made by communities like

Bradford and Keighley underscore the importance of preserving peace and remembering our shared history.

Thursday May 8th 2025, beacons and **Lamp Lights of Peace** will shine across the United Kingdom to commemorate 80 years since VE Day.

Keighley Town Council is hosting a community celebration at **Town Hall Square (BD21 3QQ) from 6:00 PM to 9:45 PM.**

The event will feature:

- * Face painting
- * Lindy Hop dance lessons
- * 1940s tractor display
- * Free picnic for the first 100 attendees
- * Beacon lighting ceremony at 9:15 PM

Additionally, **Bingley Remembrance Group, in conjunction with the Town Council**, are organising two events for the commemoration of the 80th anniversary of Victory in Europe Day on 8th May 2025. Bingley will also hold a beacon lighting ceremony at its cenotaph. The event will feature local groups, including cadets, choirs, and marching bands. The bells of All Saints Parish Church in Bingley are expected to participate in the national **"Ring Out for Peace" at 6:30 PM.**

A family event is being organised in **Bingley Market Square for Saturday 10th May 2025**, in conjunction with RSH Artisan Markets also. The latter will include musical performances, classic army vehicles, food and drink, and even an RAF flypast!

YORKSHIRE
LOFT LADDERS

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 +VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overriding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
