November has a way of slowing us down. The days are shorter, the light is softer, and it's a natural time to take stock. Across the UK, we pause to remember ~ through services, two-minute silences, and small acts of reflection. These shared moments matter. They don't change the world, but they remind us of what's important: community, memory, and the value of showing up.

This issue, we're also thinking about the role of volunteering ~ how giving time, even in small ways, can make a difference. Whether it's helping a neighbour or supporting a local cause, it's another way of saying: we're in this together.

It's also the season of harvest ~ a time to notice what we have, and to share it where we can. There is plenty to be grateful for. Maybe it's a warm meal, a moment of quiet, or just making it through a tough week.

And speaking of meals, if you're looking for something seasonal and comforting, don't miss our Beef and Pumpkin Pie recipe. It's proper autumn food.

Have a lovely month.

This is proper seasonal comfort food. The pumpkin soaks up the flavour of the beef and gravy as the pie cooks, making for a deeply satisfying dish. I'm giving instructions here for suet pastry, as I think it pairs beautifully with the filling, but feel free to use shortcrust pastry if that's your preference. If you're short on time, a couple of packs of ready-made shortcrust from the supermarket will do just fine. You'll need a suitably sized deep pie dish or tin, I use a 12" diameter enamelled cast iron casserole pot.

Ingredients

For the filling:

- 2 tbsp vegetable oil
- 1 large onion, chopped
- ½ a small pumpkin, peeled and cut into a rough dice (about 700g)
- 700g minced beef
- 1 heaped tbsp tomato purée
- 1 glug of soy sauce
- 1 tsp ground allspice
- 1 tsp ground mixed spice

- 1 tbsp plain flour
- 500ml beef stock
- Salt and black pepper

For the pie crust:

- 300g self-raising flour
- 1 tsp baking powder
- 150g beef suet
- ½ tsp salt

Method

Heat the oil in a large pan over medium heat and tip in the chopped onion. Stir occasionally and cook until soft and just starting to colour. Add the pumpkin and minced beef, and continue cooking, again stirring occasionally, until the beef begins to brown. Next, stir in the tomato purée, soy sauce, allspice, mixed spice, and flour. Give everything a good mix, then pour in the beef stock. Stir well, bring to a low simmer, cover, and cook gently for about 15 minutes. Remove the lid, season to taste with salt and pepper, then continue cooking uncovered until the liquid has reduced to a thick, rich gravy.

While your filling is cooking, preheat the oven to 180°C. To make the suet pastry, sift the flour into a large bowl and mix in the baking powder, suet, and salt. Add cold water a little at a time, mixing with the back of a knife, until it comes together as a dough. Tip it out onto a floured surface and knead briefly. Take two-thirds of the dough and roll it out to line your greased pie dish. Press it in gently, then pour in your pie filling. Roll out the remaining dough to form the lid. Place it on top of the pie, crimp the edges to seal, and cut a few slashes in the top to let steam escape.

I like to serve this with buttered Savoy cabbage—and if you're after more carbs, a generous helping of mashed potatoes works perfectly.

As the nights draw in and the scent of steam lingers in the crisp autumn air, it's the perfect time to reflect on what has been a truly remarkable season for the Keighley & Worth Valley Railway.

Our Beer & Music Festival was our biggest and most successful yet, welcoming over 5,000 visitors, serving an incredible 22,000 pints, covering 550 miles of train journeys, and clocking up nearly 5,000 volunteer hours. A huge thank you to everyone who played a part, from our tireless volunteers to our visitors who made the weekend one to remember. The event not only celebrated our heritage but showed, once again, the strength and spirit of the KWVR community.

Now, as we head towards the festive season, the railway is transforming into a place of Christmas magic and tradition. The ever-popular **Elf Explorer** returns to delight families with festive fun, laughter, and a touch of sparkle. Our atmospheric production

of **A Christmas Carol** will once again bring Dickens' timeless tale to life amidst the glow of lantern light and the sound of the steam whistle.

We'll also be hosting our **Carol Service Train**, a chance to come together in song and spirit along the valley, and of course, rounding off the year with the much-loved **Mince Pie Specials**, the perfect way to relax, reflect, and enjoy the railway between Christmas and New Year.

As ever, none of this would be possible without the dedication of our volunteers and the continued support of our visitors. Whether you've joined us for a pint, a performance, or a festive ride, thank you for being part of the KWVR story.

Here's to a magical Christmas and an exciting year ahead on your railway.

Who are we?

**Our Keighley
Denture Expert is
Matthew Varley
(Dip CDT RCS)**

Matthew Varley is the partner and Managing Director of My Denture

Clinics, here he works as a Clinical Dental Technician (Dip CDT RCS).

Matt was born and raised in Pudsey, where he met his wife Angela Varley at school. They have 2 sons; Ray and Austin, he hopes one day they will follow him into the dental profession and share in his passion for dentistry.

Within his 23 years of experience, Matt has changed the lives and smiles of many, some of which are during one day implant immediate loading cases, and same day smiles, which he specialises in. The regular accolades received from clients and patients alike are testament to his passion for his work. Matt has a keen eye for detail and endeavours to provide the best care possible. Matthew completed his dental technology qualification at Leeds Dental Institute, he finished first in his class achieving distinctions throughout and was awarded overall best student and the acclaimed technical achievement award.

Matthew Varley started his journey as a Registered Dental Technician (RDT), however after 23 years experience working as a RDT in highly acclaimed laboratories, Matt made the decision in 2018 to set up his own business alongside fellow business partner Joseph O'Reilly.

Matt also returned to university to further his dental knowledge and become a Clinical Dental Technician, receiving the prestigious royal college of surgeons (Dip CDT RCS).

How can we help you?

Technology has moved on massively over the last few years as far as dentures are concerned. The fact is, **you don't have to suffer badly designed or ill fitting dentures anymore.**

However, replacing your teeth is more than trusting someone with your smile. Your appearance and the way people perceive you is also at stake.

Matt creates dentures which can offer the dual effect of restoring your smile and correcting the proportions of your face.

He can add volume to your lower face and upper lip region to achieve a more natural, youthful look. Everyone is different, so your dentures are influenced by your age, personality and gender to ensure they look perfectly natural. Matt will discuss your individual needs and the best choices available before providing you with the information you require to determine what is right for you.

The smallest alteration can make the biggest change and Matt is committed to providing the highest level of care, quality materials and the latest digital technology to achieve the best results for you.

Matt's ambition is also his craft, creating lifelike smiles through dentures and implant supported prosthesis.

**Everybody has
the right to smile!**

Denture Problems Look no further...

*Would you like to be more confident?
Do you suffer from denture discomfort?
Loose or ill-fitting dentures?
Afraid to smile?*

With our clinical denture expert Matthew Varley, who has restored thousands of smiles - you're sure to feel more confident and be you again.

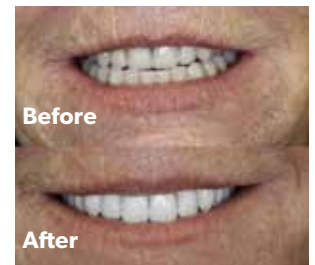

From Frustration to Clarity

One of our lovely transformation cases. Patient LS struggled for years. Aesthetics were compromised along with facial support looking very strained. With our Diamond range of dentures, aesthetics were restored with full facial support in the correct position.

BEHIND THE SCENES AT THE MUSEUM

As October comes to a close, we're waving goodbye to the portrait of Emily Brontë that was kindly loaned to the Museum by the National Portrait Gallery. We've had a fantastic time welcoming visitors, all of whom were eager to have the rare opportunity to see Emily here in the home where she was painted. This November we're uncovering the fascinating friendship between Charlotte Brontë and Elizabeth Gaskell. That a friendship should

develop between two of the greatest authors of the Victorian age is interesting in itself; but that this relationship flourished between two women who could hardly have been

more different in personality and circumstances is truly worthy of investigation. The women met in 1850, and following Charlotte's death in 1855 Patrick Brontë wrote to Mrs Gaskell asking her to write his daughters biography. The Life of Charlotte Brontë was published in 1857, quickly followed by revised

second and third editions following controversy. The book was the first biography to be written by and about a woman writer, and is still widely read today.

This month's Thursday Talk will be delivered by Libby Tempest, Vice-Chair of the Elizabeth Gaskell Society and a dedicated advocate for literary access across communities.

Remember, anyone with a BD20, BD21, or BD22 postcode can come to our Thursday Talks in-person completely free of charge.

We're also getting ready for the festive season here at the Parsonage, and we're extremely excited to welcome people to our **Late Night Festive Opening on Thursday 4 December from 5pm**. Discover the Parsonage sparkling by the warm glow of candlelight and decorated for the festive season! This evening is also completely free of charge to local residents, so it's a fantastic opportunity to visit the Parsonage for the very first time, or just see it in a whole new light!

LOFT LADDERS

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overriding principles. At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out.'

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
