As the longest day of the year approaches and the end of the term is in sight, we are reminded of the rhythms and cycles that give shape to our lives and the communities to which we belong. With the weather warming up, June signals the perfect time to get out in the countryside with friends and family. We feature a fantastic walk in the Aire Valley. You can pull out the centre spread to use as your guide.

Here at the Aire Valley Mag we are looking at what we do in the community and how we connect with local people and businesses. We are hosting informal feedback sessions over the next few months (with tea & cake served) to gain a better understanding of what our readers like and dislike in our publications. This will help us change and incorporate new ideas. If you are interested in taking part please contact us on 01535 642227, or mail@worthvalleymag.co.uk. Have a lovely June!

Scouting - Join in the Adventure

Scouting is the UK's biggest mixed youth organisation. It changes lives by offering 6 to 25-year-olds fun and challenging activities, unique experiences, everyday adventure and the chance to help others making a positive impact in communities. Scouting is totally inclusive irrespective of ability, gender, race, religious beliefs or social background.

Scouting helps children and young adults the opportunity to realise their full potential. Scouting helps develop skills including teamwork, time management, leadership, initiative, planning, communication, self-motivation, cultural awareness and commitment.

Scouts take part in activities as diverse as

Wayne Bulpitt - UK Chief Commissioner meeting new members

kayaking, abseiling, expeditions overseas, photography, climbing and water zorbing. As a Scout you can learn survival skills, first aid, computer programming, or even how to fly a glider. There's something for every young person. It's a great way to have fun, make friends, get outdoors, express their creativity and experience the wider world. This everyday adventure is possible

thanks to our adult volunteers who support Scouts in a wide range of roles from working directly with young people, to helping manage a Group, to being a charity Trustee. We help

volunteers get the most out of their experiences at Scouts by providing opportunities for adventure, training and friendship. Having fun is not just the sole preserve of young people! It just doesn't stop here, 'Scouting's Vision for 2018' wants to see Scouting to make

a positive impact in our community where young people embrace and contribute towards social change.

In the Keighley area, Scouts have already gone a long way to achieving this vision of the future.

The number of young people joining Scouts continues to grow. More girls are joining Scouting with girls demonstrating they are more than capable of holding their own with their male counterparts particularly when it comes to the more adventurous activities!

Three new Scouts groups have been recently formed. One group based at Phoenix Special School was the first in the area catering for young people with specialist needs. Another is based at the Madinah Mosque.

Scouts in Keighley help support a large number of organisations and charities in the area whether this be helping the Keighley Lions with their 'Santa Appeal' each Christmas, or raising money for the Candle-lighters and the Air Ambulance,

Interested in joining, contact me direct on ddc@keighleyscouts.org.uk

COUNTRY COOKING & FORAGING FOR FOOD
 For the promotion of Health & Wellbeing by Cath Bromwich

The first cooking experience I really remember was squatting at the knee of Mrs. Ganga, absorbing

the fabulous aromas of the spices, garlic and ginger, as she was grinding on the large flat stone mortar & pestle. I looked adoringly at her and longingly at the spices and wanted to know more... That is how I learnt my spices in Nepal.

Mrs Ganga died a few years ago, but the last time I saw her in Nepal, I cooked with her and this curry recipe is what we made. More recently, my kitchen has been filled with these familiar pungent African aromas as I have been fundraising following the tragic earthquakes that shook the country in which I spent so much of my childhood. June 7th I will be giving an African cooking demonstration at Saint James church hall, Silsden. Please contact me for more info. 01535 652278 Enjoy!

- Ingredients:**
- 2 Tablespoons oil, ½ teaspoon fenugreek seeds (Methi),
 - 1 onion, ½ Teaspoon turmeric, ½ -1 teaspoon salt,
 - 500g Chicken thigh or breast meat, diced
 - 1-5 Garlic cloves, 1 inch ginger, 2 chopped tomatoes
 - 1-2 Tablespoons chopped coriander leaf
 - 1 Teaspoon cumin powder, 2 teaspoons coriander powder

Cath Bromwich, a Silsden resident, is a cookery teacher and forager. Her livelihood includes foraging and cookery courses, such as cooking on a budget and outdoor foraging and cooking experiences. She trained at Ballymaloe Cookery School, Ireland. Contact Cath at www.facebook.com/foragercathyorkshire

MRS GANGA'S NEPALI CHICKEN CURRY

Instructions:

Heat the oil, add ½ teaspoon fenugreek & brown for a few seconds

Add the onion, thinly sliced, cook on high heat until brown 'dots' on onions (i.e. do not brown but catch them just before this point!)

Add ½ teaspoon turmeric & ½ -1 teaspoon salt.

Add the chicken, turn heat down to medium, regularly stirring.

Make a paste of the garlic & ginger, add to pot.

Add tomatoes, a little water & simmer gently.

Add the chopped coriander leaves, the cumin powder & the coriander powder

Add about half a cup of water & simmer until chicken is cooked (breast will be cooked quickly, the chicken leg meat will need to be simmered very gently for longer, up to an hour even, just keep testing & tasting it!). Taste for seasoning. Serve with rice & dahl

CONTACT the elderly

Contact the Elderly, a charity which aims to combat loneliness and isolation felt by people over 75, is appealing for more volunteers in Keighley and Aire Valley. Sunday tea parties are organised once a month for older guests living alone who need a helping hand to get out and socialise. Volunteer drivers pick up older guests from their home and escort them safely to the home of a volunteer host. The host provides tea, cake and, of course, lots of friendly conversation. The groups are small, around six to eight older guests, so people can make friends locally. The tea parties are a real lifeline for older people who suffer from loneliness and often cannot leave home unaided. Drivers volunteer once a month and hosts volunteer once or twice a year. For more information visit contact-the-elderly.org.uk or contact Yorkshire Officer Kath Lloyd on 01535 280 002 or email kath.lloyd@contact-the-elderly.org.uk

Bingley

Aire Valley Woodland and Water

A 4.5 mile (7.5km) level walk through beautiful countryside, taking in the Leeds and Liverpool canal, the River Aire, Bingley and Hirst Wood.

An ideal family walk with plenty of industrial heritage and natural history, as well as some close up views of the magnificent structures along the Bingley bypass road. Comfortable strong walking shoes are recommended along with outdoor clothing to suit the season. Please take care when walking along the river and canal banks and keep children under close supervision at all times. This walk is not suitable for pushchairs or wheelchairs and people who have walking difficulties.

For a more detailed route description contact: City of Bradford Metropolitan District Council Countryside and Rights of Way Service 5th Floor, Jacobs Well, Bradford BD1 5RW www.bradford.gov.uk/countryside

Bingley Bypass Viaduct spanning the River Aire

Aire Valley Woodland and Water Walk cont.

Points of Interest Along the Way

Leeds and Liverpool Canal

At 127 miles in length it is the longest man made waterway in Britain and forms part of a through route between the Irish and North Seas. Work on the canal started circa 1770 and took 40 years to link Leeds and Liverpool at a cost of £1.25m. The section between Hirst Lock and Bingley, which our route follows, opened in 1774;

however, the canal did not reach Leeds until 1776. Between Leeds and Liverpool there are 53 swing bridges and 91 staircase type locks. The lock gates are made of English Oak and have to withstand the thrust of 90,000 gallons of water; they have an expected life span of 50 years. Bradford was linked to the Leeds and Liverpool Canal via the 31/2 mile long Bradford Canal (closed in the 1920's). The route ran parallel with Canal Road between Shipley and the city. A small section of the canal remains and can be seen running through the Boars Well Nature Reserve, which is situated off Kings Road along the bottom of the hillside behind the Audi and

VW car dealership. For further information about the canal and other inland waterways check out the website: www.britishwaterways.co.uk or telephone them on: 0113 281 6800.

The River Aire

Rising above Malham in the Yorkshire Dales, the 76 mile long river, which forms the southern boundary of the dales, enters the Bradford District to the west, between Kildwick and Silsden. Its 15 mile journey through the district takes in Keighley, Bingley, Saltaire and Shipley before leaving at Apperley Bridge in the east. Continuing its journey to the North Sea via Leeds, Castleford and Ferrybridge to join the River Ouse and the Humber, near Goole. The recent return of the otter to parts of the river indicates the continuing improvement in water quality.

Bingley Relief Road

After many decades of planning, deliberation, procrastination and protests, the 2 1/2 mile road opened on Monday 22nd December 2003 at a cost of £47.9m. Views of the bypass can be seen along our walk route, which goes over and under two of the roads main structures. It is estimated that 30,000 vehicles will use the road each day.

Blood building juice recipe

"Let food be thy medicine, thy medicine shall be thy food."
Hippocrates

This is a favourite juice recipe that is both sweet and spicy, especially if fresh tumeric is included in the blend.

With beetroot as the main ingredient this drink has a very strengthening quality, particularly on the blood, helping to both build and cleanse it. Beetroot gently warms the body. It is also particularly beneficial for the liver and kidneys. Carrots, apples and celery increase nutritional value and give the juice a further gentle cleansing action. Ginger and turmeric (optional) more strongly warm and invigorate and give a further strengthening quality being particularly supportive for the digestive system, intestines and immune system. You will need a juicer to extract all the goodness from the fruit and vegetables. Buy the best quality equipment you can afford as it is an investment in your health and wellbeing. Follow the manufacturer's instructions for use and juice the following ingredients:

Beetroot 2-3 medium / large
3-4 medium apples
2 large carrots, 2 sticks of celery
1/2 thumb sized piece of root ginger

Optional ingredients:
small piece of turmeric root. I use about 1/2 my little

finger sized piece. (Fresh turmeric root is available from Shans Supermarket in Keighley)
3-4 handfuls of spinach or kale

Please support local trade

June sees the start of our period of operation for seven days per week, so we know that summer has definitely arrived (whatever the weather!).

Over the years we have tried to adapt our operation to suit passengers' requirements, so we have changed the summer weekday timetable to mean that the first steam train will now leave Oxenhope at 10am and Keighley at 10.40am. Whilst the timetable change results in our last trains of the day also being earlier (leaving Oxenhope at 3pm and Keighley at 3.45pm), it means that we can now offer a steam service before lunchtime from Keighley. It also means a very, very early start to light the engines, with at least one volunteer having to be on duty from well before 5am... This early morning start is just one example of how we are striving to keep The Railway Children's Railway up to date and relevant, bringing the history of the steam railway to life for a new generation of passengers. This is especially relevant as we near 2018, which will mark our 50th year since the branch line reopened for services in June 1968.

With each year that passes, we are further from the era when passengers and volunteers are able to remember first-hand the era of steam travel on the main line, so to continue to attract visitors and to respond to today's passenger demands requires us to keep developing and improving the Railway's passenger facilities. Plans are well-advanced for a new café at Oxenhope, to refurbish the water tower and washroom facilities at Keighley, and we have ambitious plans for our engineering facilities at Haworth. All this is going on whilst our volunteers continue to restore 50+ year old steam locomotives and maintain a fleet of historic carriages to keep the core service operating.

What these plans mean is that whilst we continue to welcome volunteers to operational and commercial roles, such as those that wish to train as footplate crew or to help staff the shops, we urgently need more volunteers to help us manage and help coordinate the numerous initiatives that we need to progress. Please do get in touch if you have relevant skills and experience and would be willing to help us prepare the Railway for its next 50 years of operation.

Midsummer BY ROBERT FITZGERALD

The adolescent night, breath of the town,
 Porchswings and whispers, maple leaves unseen
 Deploying moonlight quieter than a man dead
 After the locust's song. These homes were mine
 And are not now forever, these on the steps
 Children I think removed to many places,
 Lost among hushed years, and so strangely known.

This business is well ended. If in the dark
 The firefly made his gleam and sank therefrom,
 Yet someone's hand would have him, the wet grass
 Bed him no more. From corners of the lawn
 The dusk-white dresses flutter and are past.
 Before our bed time there were things to say,
 Remembering tree-bark, crickets, and the first star...

After, and as the sullenness of time
 Went on from summer, here in a land alien
 Made I my perfect fears and flower of thought:
 Sleep being no longer swift in the arms of pain,
 Revisitations are convenient with a cough,
 And there is something I would say again
 If I had not forever, if there were time.

Haworth turns back the clock...70 years!

After a year in the planning, it was delightful to see the sun shining on us throughout the three days for the Haworth 1940s weekend. In excess of 40,000 people descended upon our wonderful village from all over the globe.

This year was a very special event as we celebrated our 20th anniversary, SSAFA's (Soldier, Sailor, Airman and Families Association) 130th anniversary and the 70th anniversary of VE Day; hence our theme, 'Victory.'

It was joyous to see so many visitors and local people joining in and contributing to the event's continued success.

I am always overwhelmed by the effort that people put into their outfits, the goodwill from those who volunteer their time and the community spirit that abounds.

Our thanks go to all those who were involved in the weekend or supported it in any way. We are very grateful for the donations received for the Haworth 1940s weekend chosen charity, SSAFA. Monies are still coming in and to date we can confidently announce that this year's event has raised over £21,000 in support of our Forces and their families in time of need. Special thanks go to our main sponsors The Green Deal Factory Ltd.

Here's what our advertisers say...

Advertising in the Worth and Aire Valley magazines has been critical to the success of my business. The magazines are highly rated by my customers and I have lost count of the number of people who tell me that they found me. In these magazines, I have tried numerous ways to advertise my business but none of them have been as successful as advertising in the Worth and Aire Valley magazines. Sensible advertising costs and local content make these magazines a focal point in the local community.

Chris (British Chimney Sweep Service)

I have advertised with the Aire Valley Mag now for a number of years to which I have had a fantastic response, I feel that the magazine is an honest publication that local people have learnt to know and trust. I know from the feed back that I have received from my customers that this little book is not only an interesting read but also provides a solid base for local business to promote their services. I can only thank Joanne and the team for consistently providing a quality publication that is well presented, has great distribution and is favoured above other such magazines that we receive through our letter boxes. May all your great work continue!
