Proud members of
Checkatrade.com
Where reputation matters

After all the excitement of hosting Flying Scotsman stay with us during May and the focus on steam, we haven't forgotten that our heritage includes diesel traction. With that in mind, we are looking forward to welcoming a fleet of visiting locomotives to our Diesel Gala which runs from 23rd-25th June, when we run diesel-hauled services to reflect an important period in railway history. Indeed, we will welcome some locomotives that are still running on the mainline, so it's a part of history that is still being made.

Reflecting on the various elements of the Railway's 150+ year history is always challenging, not least when we have to consider which elements of the history to preserve. The decision to reflect a more recent period of that history when we acquired a "Pacer" diesel multiple unit when it was made available as the type was being withdrawn from mainline traffic. They have been a key member of the West Yorkshire (and beyond) rail transport fleet since the mid-1980s, so when they were taken out of service in 2020, we felt it important and right to acquire and restore an example to reflect their place in our local railway history. As a result, you can now enjoy a trip on our 144 Pacer, lovingly restored and looking very striking in its original 1986 red West Yorkshire Metro livery. The 144 operates regularly in the "diesel" path on the timetable, which can be found on the website.

Of course, we continue to cater for those of us who visit the Railway to enjoy steam-hauled trains, and so run steam trains every weekend (other than during the diesel gala). Keeping the fleet operational requires hours and hours of volunteer effort to deal with the maintenance of the steam locomotives, some of which are now well over 100 years old. Our carriages are also getting increasingly elderly, with most dating back to the 1960s. As a result, we are always looking for volunteers to join our team, particularly if you would have the skills and time to join our behind-the-scenes engineering teams, but also our front-of-house operational departments. There are so many duties involved in keeping the wheels turning, from maintaining the station buildings, the track and the other elements of the Railway's infrastructure, as well as staffing the stations, shops and catering outlets, through to operating the locomotives and guarding the trains. We offer full training to help volunteers gain the necessary "competencies" for our roles, and you would be joining a group of well over 700 volunteers, supported by a small team of paid staff. We work together to keep our bit of Railway history alive, and we all look forward to welcoming you on board soon.

Denture Problems Look no further...

Who are we?

**Our Keighley
Denture Expert is
Matthew Varley
(Dip CDT RCS)**

Matthew Varley is the partner and Managing Director of My Denture

Clinics, here he works as a Clinical Dental Technician (Dip CDT RCS).

Matt was born and raised in Pudsey, where he met his wife Angela Varley at school. They have 2 sons; Ray and Austin, he hopes one day they will follow him into the dental profession and share in his passion for dentistry.

Within his 23 years of experience, Matt has changed the lives and smiles of many, some of which are during one day implant immediate loading cases, and same day smiles, which he specialises in. The regular accolades received from clients and patients alike are testament to his passion for his work. Matt has a keen eye for detail and endeavours to provide the best care possible. Matthew completed his dental technology qualification at Leeds Dental Institute, he finished first in his class achieving distinctions throughout and was awarded overall best student and the acclaimed technical achievement award.

Matthew Varley started his journey as a Registered Dental Technician (RDT), however after 23 years experience working as a RDT in highly acclaimed laboratories, Matt made the decision in 2018 to set up his own business alongside fellow business partner Joseph O'Reilly.

Matt also returned to university to further his dental knowledge and become a Clinical Dental Technician, receiving the prestigious royal college of surgeons (Dip CDT RCS).

How can we help you?

Technology has moved on massively over the last few years as far as dentures are concerned. The fact is, **you don't have to suffer badly designed or ill fitting dentures anymore.**

However, replacing your teeth is more than trusting someone with your smile. Your appearance and the way people perceive you is also at stake.

Matt creates dentures which can offer the dual effect of restoring your smile and correcting the proportions of your face.

He can add volume to your lower face and upper lip region to achieve a more natural, youthful look. Everyone is different, so your dentures are influenced by your age, personality and gender to ensure they look perfectly natural. Matt will discuss your individual needs and the best choices available before providing you with the information you require to determine what is right for you.

The smallest alteration can make the biggest change and Matt is committed to providing the highest level of care, quality materials and the latest digital technology to achieve the best results for you.

Matt's ambition is also his craft, creating lifelike smiles through dentures and implant supported prosthesis.

**Everybody has
the right to smile!**

*Would you like to be more confident?
Do you suffer from denture discomfort?
Loose or ill-fitting dentures?
Afraid to smile?*

With our clinical denture expert Matthew Varley, who has restored thousands of smiles - you're sure to feel more confident and be you again.

From Frustration to Clarity

One of our lovely transformation cases. Patient LS struggled for years. Aesthetics were compromised along with facial support looking very strained. With our Diamond range of dentures, aesthetics were restored with full facial support in the correct position.

*"I have finally got my confidence back,
I never imagined I could smile like this.
Thank you My Denture Clinic"*

Chicken sautéed in vinegar

This is a simple, quick and economical recipe that gives supermarket chickens some taste; it sounds much posher if it's given its French name of

“Poulet Sauté Au Vinaigre”.

A whole chicken is much cheaper and you can use the carcass and wings to make a stock for a soup or gravy too.

If you don't know how to joint a chicken, use two chicken thigh joints (bone in) per person.

I like to serve this dish with plain boiled new potatoes and a green salad.

Do not buy bagged salad leaves, they're nasty & expensive. Buy a couple of whichever lettuce you think looks nice, roughly chop, chuck in a big bowl, add a bit of salt, a squirt of lemon juice, a few grinds of black pepper, a glug of olive oil & yer done, a fraction of the price & tastes better!

Ingredients

1 medium / large chicken 1.5kg / 2kg 'ish, jointed, or 8 chicken thighs
150g of unsalted butter
2 tablespoons of olive oil
1 x 400g tin of tomatoes
300 ml red wine vinegar
400ml chicken stock (or a stock cube)
2 tablespoons of chopped flat leaf parsley, chopped (1 small supermarket bag)
Salt & Black pepper

Method

You need a large and wide stove top pot for this recipe, big enough to hold the chicken joints with room to spare. Joint the chicken into 8 pieces, I really encourage you to do this, it is very easy. Skin them or leave the skin on as you prefer. Season the chicken joints well with salt and black pepper.

Put your pot on a medium to high heat. After a minute or so, add the oil and then half of the butter. When the butter starts to bubble and foam, add your chicken joints and fry until well coloured, you will need to shake the pan and turn the joints occasionally to prevent them sticking and burning.

Once the joints are coloured to your liking, chuck in the tomatoes, stir well occasionally, until the sauce is starting to stick to the bottom of the pot. Now tip in the vinegar and simmer till almost back to the sticky sauce you had earlier.

Add the chicken stock, continue simmering until the sauce has reduced to the thickness you like, stirring occasionally. Remove the chicken joints and transfer to a warm plate. Add the remaining butter and the chopped parsley to your sauce, stir well until the butter has melted then pour over the chicken joints.

Rest for a minute or so, (you and the chicken) then dish up. ~ Martin Lingard

BEHIND THE SCENES AT THE MUSEUM

A unique chance to see items from the Blavatnik Honresfield Library collection before they are taken off display for landmark new exhibition **Becoming the Brontës**, bringing together material that has not been seen by the public for over 80 years.

In 2022 the Blavatnik Honresfield Library, a highly important collection featuring printed books and manuscripts by Charlotte Brontë and Emily Brontë, was purchased for the nation by the Friends of the National Libraries. The campaign to save the library was led by the Friends of the National Libraries and a consortium of libraries and writers' houses, including the British Library and the Brontë Parsonage Museum.

One of the most significant items from the collection is one of the famous little books produced by Charlotte Brontë, currently on display here in Haworth. The little books are best known for the size of their tiny handwriting (pictured), a trait shared by all the Brontë siblings.

The book will be taken off display later this month to be transferred to a new exhibition in Leeds, which sees items from the Blavatnik Honresfield Library collection brought together for the first time, so there are only a few more weeks to see these special items on your doorstep!

Becoming the Brontës is a free exhibition within the Treasures of the Brotherton Gallery in Leeds, co-curated by the University of Leeds, the British Library and the Brontë Parsonage Museum. For further information and to plan your visit the Museum website.

Volunteering Opportunities

We are currently recruiting for volunteers to join our friendly Visitor Experience team. There are long-term positions available on Saturdays and Sundays, and short-term opportunities on Mondays throughout July and August as we welcome visitors during the busy summer season. An interest in the Brontës is useful, but not essential. It is a great opportunity to meet like-minded people and learn something new! If you are interested, please take a look at the website or contact the Visitor Experience Management team for an informal chat on **01535 640197** or by emailing **bronte@bronte.org.uk**.

We look forward to hearing from you.

Join the Excitement: The Straw Race Challenge!

Get ready for a thrilling event that combines fun, friendly competition, and a great cause!

On **Sunday, July 2nd**, mark your calendars for the highly anticipated **Oxenhope Charity Straw Race**, celebrating its 45th anniversary this year.

Like all great stories, this one began over a pint one evening in the mid-1970s. Two local farmers engaged in a friendly bet, challenging each other to a race between pubs while enjoying a pint at each stop. As the night unfolded, the wager grew more intriguing. The farmers decided to add an extra twist to the challenge: carrying a bale of straw between the pubs!

Fast forward to today, and this extraordinary event has raised over £450,000, benefiting worthy causes such as the Sue Ryder Manorlands Hospice and Haworth Riding for the Disabled, among others. The Straw Race has become a symbol of unity within our community,

where people come together to support those in need while having an unforgettable time.

Teams of two or larger combined teams are invited to participate in this exhilarating adventure. Dressed in eye-catching fancy costumes, you'll be timed as you race along a 2.5-mile route, carrying a 20 kg bale of straw. The journey begins at the Waggon and Horses pub, and with six pubs in total to visit, you'll have the chance to enjoy a refreshing pint at each stop (except the last one). The route will take you through local landmarks such as The Bay Horse, the former "Idiot Hut" social club, and The Lamb, formerly known as The Shoulder of Mutton. Prepare for a final uphill push as you make your way to the exhilarating finish line at the Dog and Gun.

Apart from the thrill of the race, prizes await the fastest teams and those with the most impressive fancy dress. It's an opportunity to unleash your creativity and showcase your unique style while making a meaningful impact in our community.

Don't miss out on this quirky, fun-filled experience for a great cause. Join us in supporting local charities and making a positive difference in the lives of others. **Simply scan the QR code to sign up or visit oxenhopestrawrace.com** for more information. **The closing date for registration is Friday, June 23rd.**

Let's come together as a community, embrace the spirit of camaraderie, and make this year's Straw Race Challenge an incredible success. We can't wait to see you at the starting line!

(And for those relying on public transport, the convenient Keighley-Hebden Bridge bus stops right outside the inn's doors, ensuring easy accessibility for all.)

Stepping inside, visitors are greeted with warmth and hospitality. License holders Matt and Sally, who previously helmed the renowned Stubbing Wharf in Hebden Bridge for 16 years, have brought their expertise and a dedicated team of chefs and servers to the Robin Hood Inn since taking over in November 2021. Their reputation precedes them, ensuring a memorable dining experience for both loyal patrons and newcomers alike.
