Welcome to April.

Brighter days and new beginnings bring plenty to enjoy in the Worth Valley. This month, we've got Spring Actions, page 10, to inspire you, an important look at the work of our local Food Bank, page 6, and an extended Community Pages section to keep you connected to what's on. Have a Happy Easter—Don't miss the cost saving voucher from Graham Eyes Butchers, page 9, and the Hot Cross Bun ~ Bread and Butter Pudding recipe from Martin Lingard on page 32—a delicious twist on a classic. Bon Appétit!

Helping Hands: How Worth Valley Food Bank Supports Local Families

Five years ago, just as the pandemic was about to change our lives, Worth Valley Food Bank was established. It came at a time of rising living costs and uncertainty—when many had to cut back, and for some, there was simply nothing left to cut. That's where the Food Bank stepped in, providing short-term relief from food poverty at a local level.

Serving the villages of Haworth, Cross Roads, Stanbury, Oxenhope, Oldfield, and part of Oakworth, the Food Bank operates on a self-referral system. Depending on household size, we provide one to three bags of essential shopping—typically once a month—helping families and individuals bridge the gap during times of crisis. These bags contain staple items such as pasta, rice, canned goods, toiletries, and even washing-up liquid.

In addition to food parcels, the Food Bank provides Aldi vouchers to support families with children on free school meals at primary schools in Haworth, Lees, Oldfield, and Oakworth, particularly during school holidays. Last year alone, we assisted over 208 households across the Worth Valley.

A Community Effort

Based at West Lane Baptist Church in Haworth, **the Food Bank is open every Tuesday from 1:00 pm to 2:45 pm.** It relies entirely on the generosity of the local community. Donation points are available at the Co-op stores, Spar, West Lane Baptist Church, and St. James in Cross Roads. Community support has been

extraordinary. Haworth Primary School ran a fantastic project last year, raising funds and organising key item shopping—giving them plenty of real-world maths practice along the way! Haworth Rainbows and the local organisation Join collected and distributed Christmas treat boxes, bringing joy to families over the festive season. Meanwhile, The Oxenhope Straw Race donated nearly £2,000, ensuring we can continue helping those in need. From local churches, Scouts, and community groups to individual donors and volunteers, so many people contribute in countless ways. Whether through direct debit donations, food collections, or simply dropping off supplies, your generosity keeps the Food Bank running.

Thank You for Making a Difference

Worth Valley Food Bank remains a volunteer-led initiative, made possible by the kindness of those who live and work in our community. With your continued support, we can keep providing relief to families and individuals facing tough times. If you'd like to help, please consider donating at one of our drop-off points or setting up a regular contribution. Together, we can ensure that no one in our community goes without the essentials.

Spring is here! The days are longer, the air is fresher, and suddenly, we all have a little more energy. Here's how to make the most of the season:

In the Garden – Shake off winter's gloom by getting your hands in the dirt. Plant hardy annuals, start a veg patch, or simply

tidy up. Prune the roses, feed the lawn, and evict those sneaky weeds before they settle in for summer.

Bonus: Gardening counts as exercise; Yay!

With Your Car – Winter was rough on your ride. Show it some love with a deep clean inside and out, top up fluids, check the tyre pressure, and

Cosy fleece throw. dunelm.com

if you're feeling fancy—add a colourful cushion for your passengers or a fleecy throw that can be used as a pet blanket for your furry friends.

Around the Home – Spring cleaning isn't just a cliché—it's a chance to freshen your space and your mind. Open the windows, swap heavy winter curtains for lighter fabrics, and let the sunshine in.

Declutter ruthlessly—if you haven't used it since last spring, do you really need it?

Homemade Cleaning Solution:

Mix 1 cup of white vinegar, 1 cup of water, the juice of half a lemon, and a few drops

of essential oil (like lavender or tea tree) in a spray bottle. It's perfect for wiping down surfaces and leaves your home smelling fresh and clean—without any harsh chemicals.

For Your Relationships – Spring is all about renewal, so why not refresh your connections? Plan a spontaneous day out, send a 'just because' message, or rekindle a neglected friendship over a coffee in the sunshine.

Bonus: People are generally happier in spring—use that to your advantage and reconnect.

For Yourself – Take that energy boost and run with it—literally! Get outside, stretch your legs; soak up some vitamin D. Switch up your routine, or just revel in the joy of not having to wear 17 layers to leave the house.

Try a new hobby. My friend took up water colour painting and then recently started experimenting with hand-dyeing wool in her kitchen. One thing can lead to another—you will surprise yourself with your own creative abilities.

(Visit Sonia's Smile, 85 Main Street, Haworth to purchase hand-dyed wool: @soniassmilehaworth on Instagram)

Spring is fleeting—embrace it!

Whether you're planting, purging, painting or just playing in the sun, this season is about feeling alive; Enjoy it.

Say you saw it in the Worth Valley Mag!

We always like to look forward at the Railway, building on our history and respecting our heritage but looking to the future. With that in mind, we continually strive to improve the railway, and we have now opened phase 2 of our project to open up more areas for our passengers at Oakworth, as well as the new visitor centre in the Water Tower at Keighley. Oakworth is a real gem, with its perfectly preserved Midland Railway goods shed, weighbridge and tea hut, and all the locations you can recognise from the two Railway Children films.

Sometimes, however, we like to look backwards, which we will be doing at the relaunched 1940s weekend in May, which is now run by the Railway's events team. The 1940s Wartime Weekend will showcase period vehicles, music, entertainment, and reenactments right along the Railway. This will take the pressure off Haworth, which had been overwhelmed by the event in recent years, and allow us to bring a new approach to the 1940s weekend.

We are also looking forward to our regular events programme, particularly the return of our popular Afternoon and Cream Tea trains. Watching passengers enjoy their savoury and sweet treats as the train wends its way along the branch

line makes all the hard work in restoring the carriages, locomotives and stations worthwhile.

Maintaining a 150+-year-old railway line is a constant labour of love as we work to ensure you can enjoy a journey back in time in period carriages travelling through beautifully maintained stations. As an example of our refurbishment plan in action, we are completing the refurbishment of the canopy at Keighley, which is another costly and important project to keep the Railway ready for future generations, and for which we are very grateful to the Railway Heritage Trust for their financial support.

In addition to our usual programme of events, we are hosting a significant Bradford City of Culture 2025 feature, with The Railway Children production running throughout the summer at Oxenhope. Tickets and details are only available directly from the Bradford 2025 website. Bradford2025.co.uk

With so much going on, I do hope that you will join us on board soon.

~ **Matt Stroh**

Denture Problems Look no further...

Who are we?

Our Keighley Denture Expert is Matthew Varley (Dip CDT RCS)

Matthew Varley is the partner and Managing Director of My Denture

Clinics, here he works as a Clinical Dental Technician (Dip CDT RCS).
Matt was born and raised in Pudsey, where he met his wife Angela Varley at school. They have 2 sons; Ray and Austin, he hopes one day they will follow him into the dental profession and share in his passion for dentistry.

Within his 23 years of experience, Matt has changed the lives and smiles of many, some of which are during one day implant immediate loading cases, and same day smiles, which he specialises in. The regular accolades received from clients and patients alike are testament to his passion for his work. Matt has a keen eye for detail and endeavours to provide the best care possible. Matthew completed his dental technology qualification at Leeds Dental institute, he finished first in his class achieving distinctions throughout and was awarded overall best student and the acclaimed technical achievement award.

Matthew Varley started his journey as a Registered Dental Technician (RDT), however after 23 years experience working as a RDT in highly acclaimed laboratories, Matt made the decision in 2018 to set up his own business alongside fellow business partner Joseph O'Reilly.

Matt also returned to university to further his dental knowledge and become a Clinical Dental Technician, receiving the prestigious royal college of surgeons (Dip CDT RCS).

How can we help you?

Technology has moved on massively over the last few years as far as dentures are concerned. The fact is, **you don't have to suffer badly designed or ill fitting dentures anymore.**

However, replacing your teeth is more than trusting someone with your smile. Your appearance and the way people perceive you is also at stake.

Matt creates dentures which can offer the dual effect of restoring your smile and correcting the proportions of your face.

He can add volume to your lower face and upper lip region to achieve a more natural, youthful look. Everyone is different, so your dentures are influenced by your age, personality and gender to ensure they look perfectly natural. Matt will discuss your individual needs and the best choices available before providing you with the information you require to determine what is right for you.

The smallest alteration can make the biggest change and Matt is committed to providing the highest level of care, quality materials and the latest digital technology to achieve the best results for you.

Matt's ambition is also his craft, creating lifelike smiles through dentures and implant supported prosthesis.

Everybody has the right to smile!

*Would you like to be more confident?
Do you suffer from denture discomfort?
Loose or ill-fitting dentures?
Afraid to smile?*

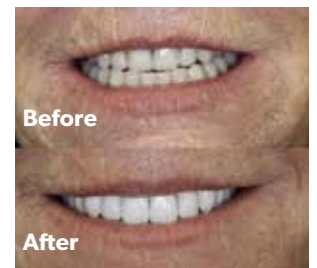

With our clinical denture expert Matthew Varley, who has restored thousands of smiles - you're sure to feel more confident and be you again.

From Frustration to Clarity

One of our lovely transformation cases. Patient LS struggled for years. Aesthetics were compromised along with facial support looking very strained. With our Diamond range of dentures, aesthetics were restored with full facial support in the correct position.

*"I have finally got my confidence back,
I never imagined I could smile like this.
Thank you My Denture Clinic"*

BEHIND THE SCENES AT THE MUSEUM

Spring's here and we're delighted to kick off a whole new programme of events at the Museum! From free activities for families, to workshops and talks from award-winning creatives, we hear from Programme Officer Angela Clare for a few highlights...

Celebrate the birth of Charlotte Brontë this **April 21** with an online talk exploring the complex legacy she left behind. Join Sharon Wright earlier in the month to uncover the little-known tale of the Brontës' mother, also born in April, in our **Thursday Talk on the 10th. Thursday Talks happen every month in the Old School Room in Haworth at 2pm, and are free to local residents.**

Call in on Wednesdays and Thursdays for our spring activities while school's out for the Easter Holidays. Included with entry, these creative sessions are fun for all ages! **(And don't forget, children eleven and under go free at the Museum.)**

For the thespians among you, we're hosting award-winning director and playwright Polly Teale on **Sunday 13 April** for a workshop based on her three Brontë-inspired plays. It's in partnership with Ilkley Playhouse, who'll be producing Polly's play Brontë next month.

Now we have our new baby changing facilities, the ever-popular **Brontë Babies is coming to Haworth from**

Monday 14 April. The sessions include storytelling and songs for little ones and you can book your free space online. This year, we're proud to partner with Bradford 2025 to celebrate UK City of Culture. Look out for new outdoor art gallery **Wild Uplands on Penistone Hill**, along with **Earth & Sky** – an immersive 'sound walk' created with Opera North. Monthly from May, we'll be smashing open ceramic vessels filled with previous visitors' contemplations. Inspired by Emily and Anne Brontë's diary pages, the vessels are currently on display in the Museum.

On **Saturday 10 May**, artist Layla Khoo will break into the first vessel. Come along – it's free! Also free is our upcoming **Family Festival** – save the date for **Saturday 2 August**. And while you're saving dates, be sure to make

note of this year's **Brontë Women's Writing Festival** from **Friday 26 – Sunday 28 September**.

Finally, we're excited to announce that series two of **Behind the Glass: A Parsonage Podcast, is back!** Find it on Spotify, Apple Podcasts and wherever you tune in to your favourite pods. The Museum is open over spring and summer from Wednesdays to Mondays. We hope to see you here soon – keep an eye on **www.bronte.org.uk** for all the latest.

SPRING

by Mary Oliver

And here is the serpent again,
 dragging himself out from his nest
 of darkness, his cave under the black
 rocks,
 his winter-death.
 He slides over the pine needles.
 He loops around the bunches of rising
 grass, looking for the sun.

Well, who doesn't want the sun after
 the long winter?
 I step aside,
 he feels the air with his soft tongue,
 around the bones of his body he
 moves like oil,

downhill he goes
 toward the black mirrors of the pond.
 Last night it was still so cold I woke
 and went out to stand in the yard,
 and there was no moon.

So I just stood there, inside the jaw of
 nothing. An owl cried in the distance,
 I thought of Jesus, how he crouched in
 the dark for two nights,
 then floated back above the horizon.

hot cross bun bread and butter pudding

by Martin Lingard

With Easter approaching, I thought I'd share this seasonal Easter pudding. It's really simple, just make sure your butter is nice and soft.

Try and find a baking dish that fits the hot cross buns snugly once they have been halved. Serves four.

Ingredients

- 100g salted butter (approximate)
- 4 hot cross buns
- 2 eggs
- 2 egg yolks
- 50g caster sugar
- 1 tsp vanilla extract
- 400ml double cream
- 50ml dark rum
- Nutmeg

Method

Grease your chosen baking dish with some of your butter.

Slice the buns in half in the normal way and butter generously, arranging them in your dish butter side up.

Lob your eggs, egg yolks and sugar into a bowl and beat well for a minute or two. Now tip in your vanilla extract, rum and cream and whisk again until well mixed. Pour this mixture evenly over your buttered buns.

Set this to one side for an hour (out of reach of any pets you may have) to let your buns soak up the custard.

Preheat your oven to 180C.

Grate a good amount of nutmeg over your soggy buns and scatter a little extra caster sugar over everything and put your dish into the oven.

Bake for 35-40 minutes until your buns are golden and crusty.

Serve with extra cream or vanilla ice-cream.

Walk a mile in my shoes

A group of Haworth-based crafters are excited to be offered one of 54 small grants designed to help residents celebrate Bradford 2025 City of Culture.

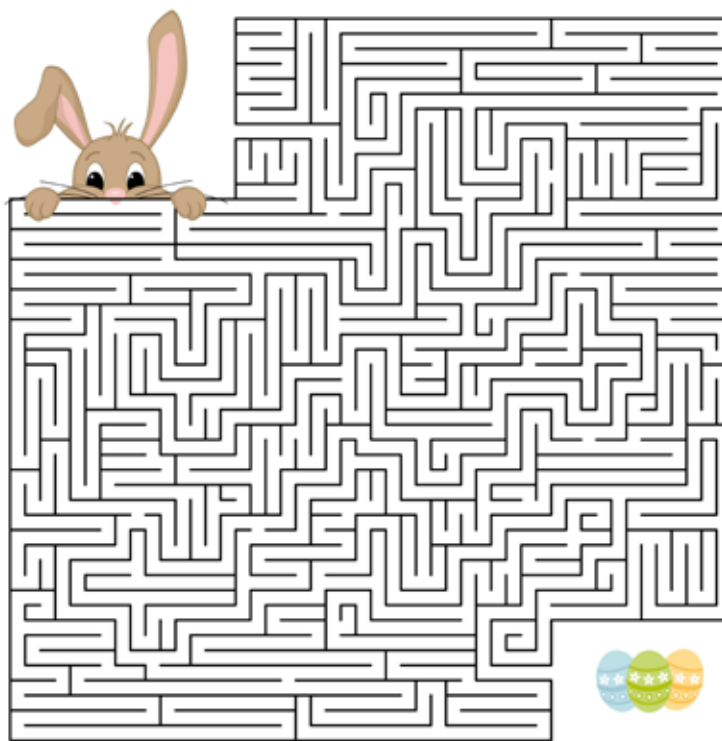

Haworth Stitch Group are inviting the local community and visitors to help them make a path of footprints long enough to stretch the length of Haworth Main Street. These footprints will be printed, stitched or painted onto pieces of fabric before being joined together in a single path, celebrating our individual creative journeys.

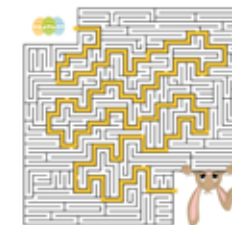

The group meets on Thursday mornings at popular Haworth cafe, Cobbles

& Clay. It was formed around 10 years ago to share and learn new embroidery techniques and over time this has evolved to encompass a wider set of interests. The ethos of the group is to develop and nurture artistic talents using learned domestic skills in a creative way. Everyone is invited to get involved in the project. Join the **free workshop at West Lane Baptist Church Saturday 3rd May** where you can pick up materials and start crafting your footprints with the help of Haworth Stitch Group members. There is no cost and the workshop is open to all ages and abilities. All materials will be provided.

Find the right way.

Using a pencil, help the rabbit find its way through the maze to the Easter eggs.

Space to Inspire: Open Day

Thank you Our little boy loved the Dalek and the electric printed rocket!

This was the best day of my life.

Lovely event lots of great things to see and be inspired by!

Following a lively and well-attended **Open Day** at Haworth Village Hall to celebrate National Science Week, local STEM* organisers, **Space To Inspire**, continue their mission to bring discovery and enjoyment to the community.

More than 300 people, from ages 2 to 92, took part in the March event, immersing themselves in a range of hands-on activities designed to entertain, educate, and inspire. From a daring egg drop experiment to exhilarating Virtual Reality experiences, visitors had the chance to walk the plank 80 floors up or take a thrilling VR roller coaster ride—if they dared!

A life-size Dalek, affectionately named Derik, roamed from room to room, delighting visitors, while a 3D printer methodically built a tiny replica rocket. The mobile planetarium captivated audiences with regular shows exploring the wonders of our solar system. The 80's retro computer corner was a hit with parents showing off their 'old school' skills, playing games from their youth and 'having a go' at basic programming with their kids.

"We're absolutely chuffed with the feedback and thrilled to see how much the community enjoys what we do," said Bernard Mosley, Space To Inspire Director

and Haworth Village Hall Trustee. "We'd also like to thank all of the volunteers who took the time to participate and help out on the day; it made the event a real success and we appreciate the support."

A Vision for the Future –

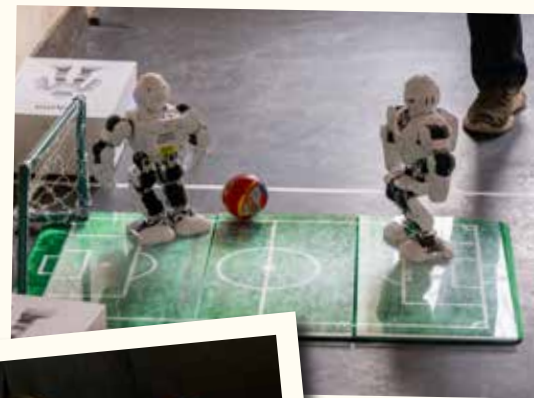

Change Brings Opportunity
Thanks to investment from the Keighley Towns Fund, Haworth Village Hall is set for an exciting transformation into a vibrant hub for learning, culture, and community connection.

While upcoming renovations will bring some temporary disruption, they also present an incredible opportunity to shape a stronger, more connected space where education, creativity, and enterprise can flourish.

(*STEM = Science, Technology, Engineering, and Maths)

YORKSHIRE
LOFT LADDERS

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overriding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
